PERSONAL INTERESTS

- **Computer Programming:**
In addition to my course-based programming assignments, I also enjoy developing programs for my own recreation in open source technologies, and practicing online using Code School
- **Web Design:**
Explored and experimented with web design and have created my own website that is mobile friendly at www.karndeeep.com
- **Boxing and Soccer**
Played rep soccer for the city of Kitchener for ten years and have boxed for seven years at the Waterloo Regional Boxing Academy Club
